★ **PHILIP JONES GRIFFITHS** For half a century, this documentary photographer has been placing himself squarely in harm's way to record military violence. His pictures of the American war in Vietnam, which make up a substantial part of this show, amount to one of the great tragic portraits of their time, and are required viewing in ours. Denise Bibro Fine Art Gallery, 529 West 20th Street, fourth floor, (212) 647-7030, through Oct. 1.
